 [Codes for Mini Projects.zip \(2.0K\)](#)

Please click the above web link to download the **Mini Projects** and **Codes for Mini Projects**. When prompted, select save file to disk, and save it to your Computer.

(You must have Winzip <http://www.winzip.com> installed on your machine. Select the download evaluation version to download the program, then follow the installation instructions provided by the WinZip website). Once the .zip file has been downloaded to your desktop, right click on the file and select "Extract to..." Browse to the folder where you would like to save the files, (for example: C:\Projects), and press extract.
